Uni’s Special Rainbow Party Treats!

Make Rice Krispies’ Treats the UNI way!

**Ingredients**

- 6 cups Kellogg’s® Rice Krispies® cereal
- 4 cups marshmallows (mini or regular size)
- 3/4 Tbsp. butter
- Food coloring—4 assorted colors

**Directions:**

1. In a large saucepan, melt 3/4 Tbsp. butter over low heat. Add 1 cup marshmallows and stir to combine until marshmallows are melted and mixture is smooth. Add 2 or 3 drops of food coloring to reach desired hue, and mix in 1 1/2 cups of Rice Krispies® cereal. Stir to coat.

2) Spread mixture into a greased pan to cool.

3) Repeat three times, using a different color food coloring with each batch, and layer batches to create rainbow treats.

4) Cut into 2-inch squares and top with Uni the Unicorn treat toppers.
Uni’s Treat Toppers!

Print this page in color and cut out the pictures. (Note: printing this page 3 times will make 18 toppers—enough toppers to decorate one batch of Uni’s Special Rainbow Party Treats). Using a hot glue gun or tape, attach the images to toothpicks. Add them to your freshly made Rice Krispies’ Treats and pass the treats out to your guests when it’s time for dessert! Yum!
Decorations Fit for the Fanciest Unicorn

Print this page, and cut out the banner triangles. Using these triangles as a template for size, also cut out plain pieces of construction paper in fun colors to alternate between the Uni the Unicorn triangles below. If you have enough construction paper, you could try to place your construction paper pieces in rainbow order! Uni loves rainbows. Glue all the triangles to a long piece of ribbon or punch holes in the paper to weave the ribbon through. Hang the banner for your party!
Your Own Personal UNI-verse

Supplies

- A big sheet of paper—a roll of butcher paper, an easel pad, or printer paper pages taped together would all work
- Markers or crayons—enough for you and all your guests to contribute to the design
- Tape or glue

Instructions

Print this page and cut out the pictures. Tape the cut-outs to your big sheet of paper to create a scene. You can re-create something from the book, draw a picture of yourself or your friends, or cut out photographs to imagine your own visit to Uni’s magical world. If you have glue and glitter, add some sparkle to give your scene a special Uni shimmer.
